

This policy provides Jesters Theatre Academy students and parents guidelines for the use of social media. It includes but is not limited to:

*Twitter *Facebook *Linkedin *Instagram *Snapchat *Pinterest
*Blogging platforms *Youtube

It is strictly prohibited to:

Post or share information of a personal nature about any member of staff, students, volunteers or their families.

Share information that compromises Jesters Theatre Academy and could bring the company into disrepute.

Post pictures or videos of other students without consent from that students parents. Videos recorded during rehearsal periods are strictly for personal use. It is preferred that you only post photos of your own child

Share Information, post footage or photos that could damage the self- esteem of any Jesters Theatre Academy student

- Give the impression that they are talking as an official representative or on behalf of Jesters Theatre Academy.
- * Post negative comments about competition organisers, judges, other theatre schools, events, studios or the performance of others.
- It is preferred that you share official footage/photos posted by Jesters Theatre Academy on our social media channels from competitions, shows etc instead of your own to protect the wishes of other students who may have opted out of having their images used. Please be aware that as a company we (Jesters Theatre Academy) own the copyright to any original footage, photos and choreography we post.
- Please respect the law around the Defamation Act 2013
